Their comments:

I cannot thank you enough for all your hard work. You were more of a hit than I hoped. All expectations were met and exceeded. Your presentation was uplifting, entertaining and enlightening. You presented in a manner that was both humorous and entertaining, while getting your message across. That was a hard combination to achieve, and you did it with style and grace. You would be a huge asset to any group looking for a one-of-a-kind speaker.
